Sorry, we are **NOT PET FRIENDLY**

Our decision is rooted in the commitment to maintaining a pristine and allergen-free environment for all our guests. We understand the importance of a tranquil and worry-free stay, and ensuring a pet-free space helps us achieve this standard of comfort for everyone.

We appreciate your understanding and look forward to hosting you in an environment designed for relaxation and serenity.

We ❤️ animals but **we do not allow them** at Mansion on the Lake.

garage **PARKING**

SIX CAR GARAGE

Upon arrival, please park in the driveway and proceed to the side door entrance of the vacation rental.

The six-car garage is available for our guests to park in during their stay.

The garage door openers are conveniently located on the wall by the entry door to the house.

While our location is safe, parking in the garage provides an extra layer of convenience and security for your vehicles during your stay.

Connectivity becomes an essential part of your stay. Whether you're a business traveler, a family capturing vacation memories, or an entertainment enthusiast streaming content, our robust network guarantees seamless connectivity.

Embrace the freedom to work, play, and connect with unparalleled speed and reliability, recognizing that in today's interconnected world, staying online is not just convenient – it's a necessity at our tranquil retreat.

How to Reset the Modem

Locate the Modem – the power button is in the **white box** to the right of the inside of the closet door (closet is located to the left of the basement bathroom)

Power off, give it a few minutes to reboot then turn back on to re-establish the connection.

Once the modem has fully restarted, check your device to see if the internet connection has been restored successfully.

Home SOUND SYSTEMS

Our home is equipped with multiple stereo surround systems all accessible via **Apple AirPlay** and **Apple AirPlay compatible apps and devices**. We keep an iPad on the kitchen wine rack that controls music in the common areas of the home with 100+ stations to choose from. You are also welcomed to use your personal device/speaker of course!

Follow the simple steps below to connect your device:

- To connect your personal device you must be connected to the “Home” WiFi network.
- On your smart device (phone, tablet, etc.), select the AirPlay function, typically looks like a rectangle or circles with a triangle pointing up on the bottom.
- Press play and your device with play through our sound system!

Pools & HOT TUB

We want your pool experience to be nothing short of fantastic! If you have any questions or need assistance with anything related to the pool and/or hot tub, feel free to reach out to our team.

Outdoor Pool Availability: June 2nd – September 1st

Indoor Pool Availability: September 2nd – June 1st

Please note that only one pool is available seasonally. These dates are subject to change. If your stay falls within the months of June or September, we will verify which pool is available for use. Additionally, when the Indoor Pool is unavailable, it is converted into a basketball court.

- **Our pool is heated** to a comfortable temperature for your enjoyment.
- The pool slide is designed to provide endless fun for everyone! The **water flow down the slide is always on** for your convenience and enjoyment.
- Please note that the water flow down the pool slide will only stop if the water level is too low or the pool pump is not functioning properly. If you notice the water flow has stopped, please notify us *immediately* so we can address the issue promptly.
- The **pool lights** are on a timer and will come on during the scheduled evening time frame.
- As always, prioritize safety while enjoying the pool area. Keep an eye on children and non-swimmers. Please, no diving!

Our team works diligently to maintain the pool and ensure it's in optimal condition for your enjoyment. If you notice any issues or have concerns about pool cleanliness or functionality, please don't hesitate to inform us.

Outdoor Hot Tub

The hot tub automatically cycles with the **jets circulating every hour**, so there's no need to press any buttons.

THERMOSTATS

The thermostats are located in several different locations in the house. We keep the house at 68 degrees Fahrenheit on average. Please feel free to change the temperature at your discretion. Click on the 'Mode' button to change it between the Cool/Heat/Auto functions.

GARBAGE+RECYCLING

You will find two sets of garbage & recycling bins in all the kitchen cabinets. They are labeled for convenience. If you fill up garbage/recycling bags, there is a large dumpster located behind the garage.

LINENS+ TOILETRIES+ DISPOSABLES

The house is stocked with shampoo, conditioner, body wash, paper towel, trash bags, toilet paper, and towels for everyone during their stay. We do not stock paper plates, saran or aluminum foil.

Blue towels are designated for the pools & hot tub. These towels are stored in the cupboard of the basement closet in the summer as well as in the main floor bathroom in the winter.

White towels are designated for restrooms & **black towels** are designated for kitchen use.

- Games are stored in this closet too.

ELECTRONICS

RTI Remotes

- Press the **home button** to display the home page options. To watch TV press the **Watch DirecTV** option. Wait up to 1 minute for all equipment to power on and display.
- Press the guide button to display the channel guide and the up/down buttons to navigate. Press OK to select desired channel.

If you see a **771 error** on a TV it is most likely because the channel selected is **not available**. Manually enter channel 1 and press 'ok' or choose a channel from the shortcut buttons.

Each TV is also equipped with a Roku device for easy streaming of your favorite apps. Simply choose Watch Roku to access the Roku menu. You will notice familiar on remote screen buttons for ease of Roku operation.

- Press the red circle then choose **Power System Off** when done viewing. If you are having trouble, first attempt a "System Off" reset, wait 1 minute, and power the system back on.

Home Security

& SMOKE DETECTORS

Our home is equipped with a Honeywell security system with door sensors on all exterior doors and glass break sensors. Our home is located in a very safe and secluded area but if you feel inclined; follow the instructions below to arm and disarm the system.

There are keypads in the **master bedroom** and in the **locker hallway near the garage door**.

To **arm** the system, simply press the ARM button. The controller will start an exit countdown timer allowing you to leave without triggering the alarm. After the countdown ends, the system will be armed. Opening a door **will trigger** an event and you will have 30 seconds to disarm the system before the alarms sound.

To **disarm**, simply enter the code provided to you and press the OFF button. If an alarm event is triggered and the alarms do sound, stay calm! Enter the code and press OFF to silence the alarm. Enter your code and press off a second time to reset the trigger event and put the system back into the "ready" state.

Smoke detectors

The homes smoke detectors are connected to the homes security system. If you accidentally trigger a smoke alarm event, simply go to a control panel, open the cover to access the keypad and press the OFF button.

Some of our **REVIEWS**

Everything about this place is magical... The house is stunning everywhere you look. The property is meticulously cared for and it shows in the vibrant plant life. The hosts, Maria and Bryan are incredibly responsive and welcoming. The theater room is very well done and a ton of fun. The pool and hot tub are sweet. I could go on... highly recommend checking out the place!

This place is like your own private resort. The outdoor space is breathtakingly beautiful.

-Sylvia T.

This is definitely the nicest property we've ever stayed at and we've been to a lot. Everything was super clean, directions were simple for anything to use as well. No matter the age of the person, everyone had an amazing time at such a gorgeous property with beautiful views! Definitely recommend to anyone who is interested or needing a place to relax and enjoy their time.
